SEASONAL OVERVIEW

SUMMER 2019

THIS SEASON IT'S ALL ABOUT MOM. AND DAD. AND THE GRADUATE. SO YOU'LL NEED GIFTS FOR PRETTY MUCH EVERYONE. WITH LOADS OF UNEXPECTED LITTLE DETAILS, STATEMENT FINISHES AND CLASSIC FOSSIL LOOKS, WE'VE GOT TONS OF GREAT GIFT OPTIONS FOR EVERYONE.

Surprise Mom with the trend of the season: White Mother of Pearl watch dials paired with white leather or white plating. Or, cater more to her personal style with watches that feature charms and embellishments in both the strap and dial. And you can never go wrong with the Ryder satchel in new summer colorways. Prep your high school or college graduate for the next stage with upgraded accessories. Our über-functional leathers or a vintage-inspired watch are a great place to start. Skip the tie for dad, and instead get him something he can actually use, like a handsome leather workbag or traditional blue and tan watch. Personalization is a great way to take any gift to the next level, so you'll see lots of new, engravable styles join our jewelry lineup.

But the ultimate gift for anyone on your list has to be a Fossil Smartwatch. Hybrids are perfect for anyone wanting to stay connected or track activity without sacrificing the look of a traditional watch. Gen 4 Smartwatches with heart-rate tracking fuse classic Fossil design with the latest technology from Google. And the newest addition our smartwatch family, the Sport Smartwatch, features an ultra-light design, our most-efficient battery yet and endless color combinations, so there's truly a fit for every style. Happy gifting!

FOSSIL BRAND OVERVIEW

FOSSIL'S ALWAYS BEEN INSPIRED BY AMERICAN CREATIVITY AND INGENUITY. SINCE 1984, WE'VE STRIVED TO BRING NEW LIFE INTO THE WATCH INDUSTRY, BASED ON OUR BELIEF THAT WATCHES DON'T HAVE TO BE EXPENSIVE TO BE QUALITY AND FASHIONABLE—THEY CAN BE FUN.

It was this ethos that made early Fossil tick, and it continues to drive everything we do—from our tins, to our bag collections, to our smartwatches. Today, we're continuing to fuel that creativity, and to create the next generation of classics and updates sure to put a smile on anyone's face while keeping them on-trend and connected throughout the season, and beyond.

MARKETING BIG IDEAS

OUR KEY FOCUS IN MARKETING FOR SUMMER WILL CONTINUE TO BE SMARTWATCHES, WITH CROSS-CATEGORY EMPHASIS ON GIFTING FOR MOTHER'S DAY, COLLEGE AND HIGH SCHOOL GRADS AND FATHER'S DAY. SUPPORT WILL INCLUDE PR OUTREACH, DIGITAL ADVERTISING, INFLUENCER MARKETING, GIFT GUIDE CUSTOM CONTENT AND OWNED CHANNEL SUPPORT (FOSSIL.COM, EMAIL, ORGANIC SOCIAL). MARKETING ASSETS WILL CONTINUE TO FEATURE MANDY MOORE, KJ APA, AND IZZY BIZU, WITH REFRESHED SHOTS SUPPLEMENTED WITH LIFESTYLE MODELS.

For Mother's Day gifting, it's all about our best-selling Ryder in updated materials. In traditional watches, we are pushing a clean, white color story—perfect for making mom feel a little luxe this season. Jewelry is an important category during this time, so we're adding new Mother of Pearl and engravable styles to the mix to make her smile. We are also excited to have a smartwatch for every kind of mom this season!

For graduation, we will primarily focus on Gen 4 and Sport Smartwatches. We will also feature cross-category items that focus on function and style (think backpacks and striped watches)—just what a recent grad looks for as they're moving on to their next life phase.

Classic, timeless pieces for Dad are a Father's Day must! Best-selling Haskell bags, along with our Derrick wallet are the most important leathers for him. In traditional watches, a new collection, Belmar, is the perfect mix of dressy and casual, making it a really easy gift for any Dad's style.

Smartwatches continue to be a major focus during this time, especially Gen 4 and Sport styles.
