Nona Silver - Five Star Quality Silver Jewels

Our own designs and severe quality control assure the original and unique Nona look.

Made of Sterling Silver 925/1000 our jewels have a beautiful shine and a radiant colour. An extra layer of rhodium protects them against oxidation.

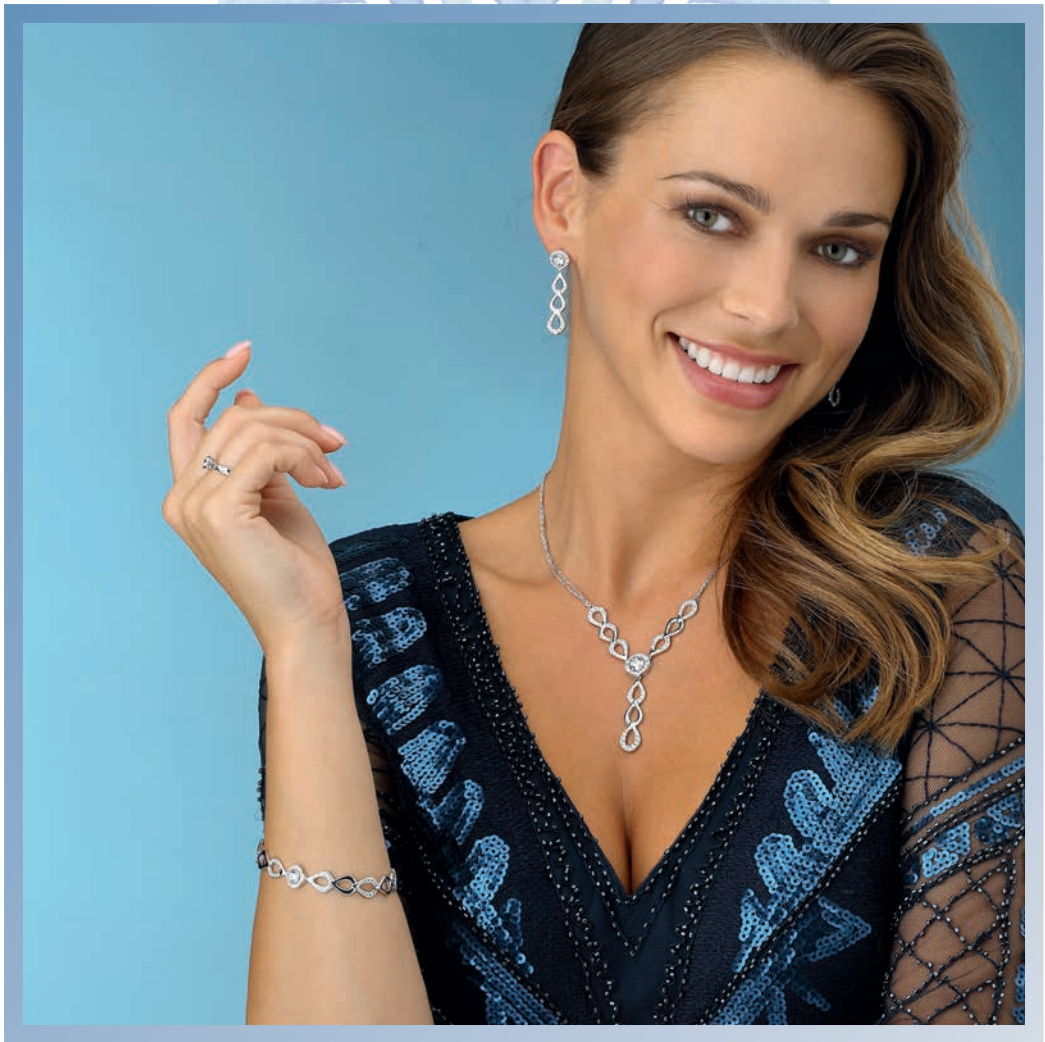

The Cubic Zirconia are hand set and our Freshwater Pearls are selected with care according to shape, size and shine.

In the mood

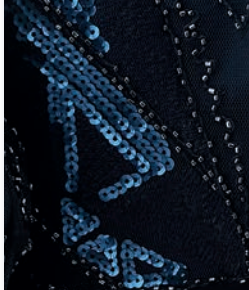

Contemporary and classic designs are perfectly combined in our newest 2019-2020 collection, blending elegant feminine shapes, sparkling stones and vivid blue colours.

A piece of Nona Jewellery is more than a simple decorative accessory, with Nona Jewellery you can let your own personality shine.

With attention to detail, our designer designs every piece with the Nona philosophy in mind. This creativity combined with our year-long expertise makes every piece unique.

Nona jewellery, for women that colour their environment with their dynamism and love of life!
