FW 2019 - CAPSULE COLLECTION

The Jane

The Jane is our newest festive collection. It's a take on the traditional pearl with a contemporary look. The liquid shapes combined with gold tones are inherent to an effortless elegance for the festive months.

This collection is inspired by iconic 'Janes' such as Jane Grant, Jane Austen, Jane Birkin and many more. It stands for women who achieved and aspired great success. The Jane collection would look pretty in any jewelry box.

We're calling them "cool-girl pearls".

About Rosefield

Rosefield is a fashion-forward watches where classic meets modern. Where function meets form. Where Amsterdam meets New York.

In its story, name, design and aesthetics, Rosefield captures the essence of the common history between Amsterdam & New York. The city that is nowadays widely known as New York City, was once established as 'New Amsterdam' by the Dutch in 1624, at the southern tip of Manhattan Island.

Franklin Roosevelt - whose name translates to 'Rose Field' - was one of two Hudson Valley-born presidents to claim Dutch heritage. Our name, Rosefield, symbolises the historic relevance of the connection between Amsterdam and New York, and to a broader extent, the connection between the Netherlands and the USA as a whole.

With roots in Amsterdam & heritage in New York, Rosefield's creativity draws inspiration from the Dutch minimalist design and New York's contemporary fashion aesthetics.

Rosefield emphasises the importance of this connection, how this has shaped the future, how New Amsterdam left its cultural marks on later New York - capital of the free-thinking spirit.
