Diamanti Per Tutti

With **14x** Diamanti Per Tutti stores from Antwerp over Hong Kong & Singapore all the way to Shanghai, we are rapidly spreading our love for diamonds...

For this new collab we wanted to **UNITE** the Asian & the European lifestyle by working with a local jewellery designer & influencer.

As **LOVE** doesn't know boundaries we took our design process all the way to Hong Kong to collaborate with Sarah Zhuang.

Sarah Zhuang is the famous founder and designer of the luxurious jewellery brand 'Sarah Zhuang Jewellery'.

Her versatile pieces have dazzled international celebrities & received numerous design awards.

Sarah is a perfect example of a modern-day & selfmade heiress who's taken her family legacy and made it uniquely her own. An honour for DPT and a great match to create & launch a new versatile mix&match collection together.

LOVE & UNITY

The **LOVE & UNITY** collection expresses the ideology that when people from all walks of life unite together, the world becomes a better place.

‘Unity’ in a work of art is created by different shapes and forms. Circle, Triangle and Square, the three shapes presented in this collection can be mixed and matched to create various combinations.

MOOD

*'I believe that when people from all walks of life unite together,
The world becomes a better place. When you put together different shapes,
like circles, triangles & squares they might not seem perfect together at first.
But just like with people - all different and unique in their own way
-they somehow end up complementing each other,
and become this beautiful harmony, as one.
Let's unite together and give more love to the world.'*
