

ROSEFIELD

Fall-Winter 2021

This is Rosefield.

Rosefield reimagines watches & jewelry for relaxed elegance and easy living. We makes fashion-forward styles that blend the classic with the modern. Where function meets form. At a price that works for today's cosmopolitan consumer.

Who is she? The Rosefield Woman is the epitome of city living with her finger on the pulse of what's next, what's new, what's now. She's the quintessential cool girl that isn't afraid to try new things. The Rosefield Woman sets trends — never follows them — and knows what she wants in life. This is at the core of our design philosophy.

Rosefield draws inspiration from Dutch minimalist design while taking cues from global contemporary fashion aesthetics. Our collections incorporate elements of vintage beauty from classic pieces mixed with the creativity of the future.

It's about being timeless, not trendy.

Simple details. Pure luxury.

Instructions

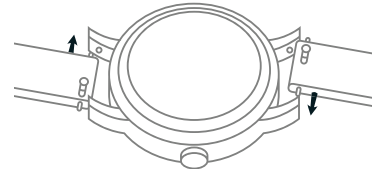

CHANGING YOUR STRAP

1. Securely hold the watch and locate the pin mechanism on the bottom side of the strap.

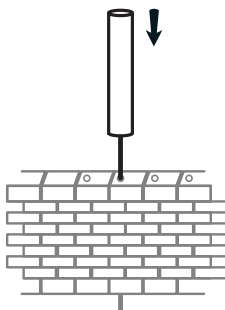

2. Slide the pin to the other side to release the strap from the lug.

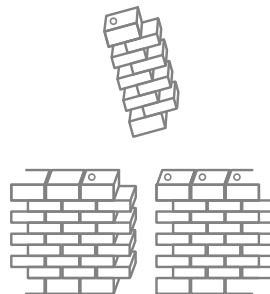

3. To attach a new strap, start with the pin located on the opposite side of the slide mechanism. Place the pin in the lug, while slightly tilting the strap forward. Slide the pin mechanism and place the other pin in the lug.

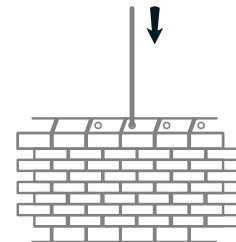

ADJUSTING SIZE STEEL BAND

1. Insert adjustment tool (supplied with every steel band) into the hole on the side of the band and push the pin out in the direction of the arrow. Using a small household hammer, tap lightly until the pin comes out the other side. Grasp the pin and pull out.

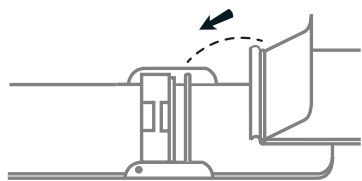

2. Remove or add required strap links. If removing more than one strap link, remove an equal number of links from both sides to keep the strap even and symmetrical.

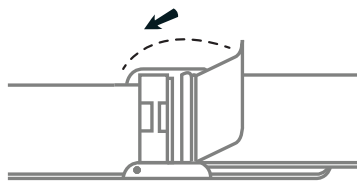

3. After removing or adding the necessary number of strap links, place the pins back in the opposite direction of the arrows. Tap the pins back through using the hammer to finish.

CLOSING A MESH STRAP

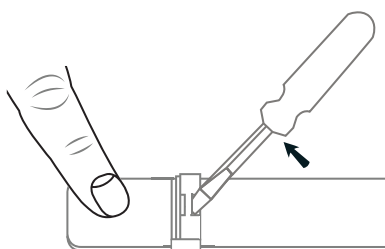

1. Hook the top part of the clasp onto the thin metal bar.

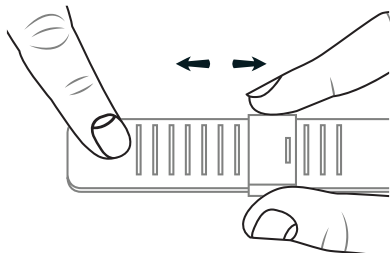

2. Snap the closure on.

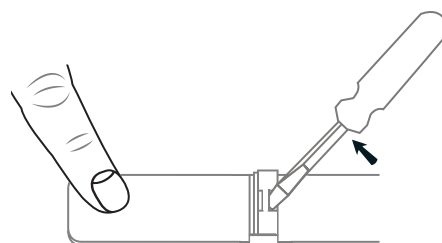

ADJUSTING SIZE MESH STRAP

1. Insert the adjustment tool (supplied with every mesh band) into the slot and lift up the plate clamp.

2. On the back side, slide the locking clasp to the desired position to adjust the length of the band.

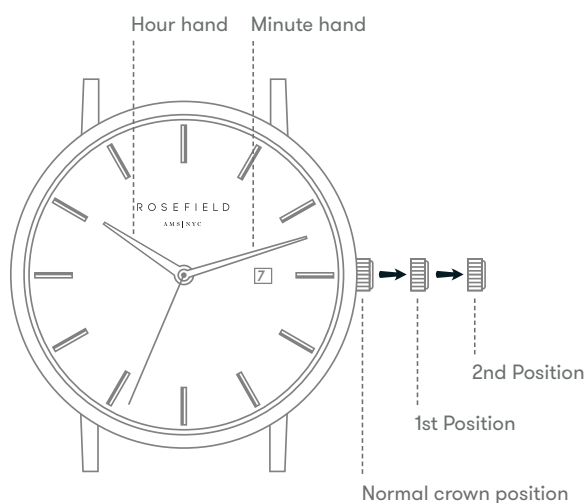

3. Press the plate clamp back down (firmly) to lock the clasp to the mesh band.

SETTING THE DATE

1. Pull the crown out to the first position.

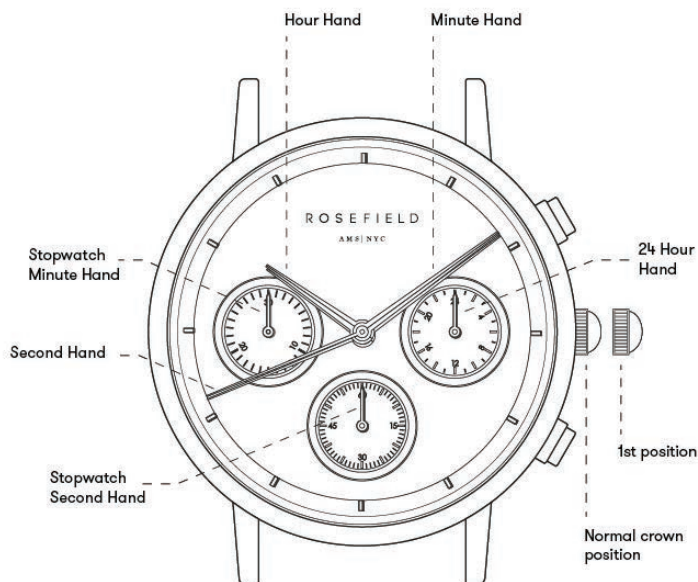

2. Turn the crown counter-clockwise to set the date.

3. Push the crown back to the normal position
** If the date is set between the hours of around 9:00 PM and 1:00 AM, the date may not change the following day.*

USING YOUR STOPWATCH

This Stopwatch is able to measure and display time in 1 second unit up to maximum of 29min 59sec. Stopwatch will stop automatically after running continuously for 30 minutes.

1. Press button “A” to start the stopwatch.

2. The stopwatch can be started and stopped each time button “A” is pressed.

3. Pressing button “B” resets the stopwatch minute and second hands return to their ZERO position. * Button A/B does not function during resetting the stopwatch.

STOPWATCH RESET

This procedure should be performed when the stopwatch second hand does not return to the ZERO second position after the stopwatch has been reset, and including after the battery has been replaced.

1. Pull the crown out to be the 1st Click Position.

2. Press button “A” to set the stopwatch second hand to the ZERO position. * The stopwatch minute hand is synchronised with stop watch second hand. *The stop watch second hand can be advanced rapidly by continuously pressing button “A”.

3. Once the hands have been zeroed, reset the time and return the crown to its normal position.

Warranty & After sales

Warranty

Limited warranty

We offer warranty from the date of purchase against defects in materials or manufacturing defects on all products in Rosefield jewelry and watch collections. Tarnishing occurs naturally and therefore, cleaning is not considered as a warranty.

Exclusions and limitations:

The above contractual warranties against defects do not cover:

- Replacement of battery, including if the battery needs replacement during the warranty period.
- Loss, damage, breakage and kinks.
- Gradual degradation of all or part of the products due to: Changes caused by normal day-to-day use (including tarnishing, scratches on the case or glass of the watch).
- Accident or mishap.
- Careless handling.
- Improper use.
- Improper alterations.
- Improper repair or warranty service performed by someone other than us or our authorised repairers.
- Theft.

Customer Service

Business to Business Support

Email: b2b@rosefieldwatches.com

When in possession of a defected watch, please follow the procedure below:

- All B2B customers will receive a number of return envelopes from Rosefield Watches. These can be reordered for free when needed.
- The customer must use one envelope per product and fill it in with all of the required fields on the envelope.
- When the warranty(ies) are ready to be shipped back to Rosefield, the customer can contact the Account Manager via b2b@rosefieldwatches.com for a pre-paid return label and instructions on how to send it back.
- The customer will receive a replacement or a credit note, when the warranty(ies) has been received and processed by the returns department at Rosefield.

Should there be a need to put the end-consumer directly in contact with Rosefield regarding returns and warranties, this can happen via the email: returns@rosefieldwatches.com. For other support related questions, please refer end-consumers to rosefieldwatches.com for more information and contact details to our B2C customer support team.
