The Forever Sets

WHOLESALE EXCLUSIVE PACKAGING EXPERIENCE INCLUDED

This year's Forever Set mixes the most classic aesthetics with a brand new fresh approach. On the path between a hoop and a climber, these timeless earrings are characterized by a pure white crystal cascade. In between a hoop and an ear cuff, the featured earrings play with a cascade design that celebrates femininity in its purest state. As the central look of the set, a heart drawn in an innovative stones setting coronates the combination, bringing the sentimental attachment to the look in a day to day design approach.

Five Collection

Morning light going through leafy woods. The silent sound of wildlife. Five collection reflects the experience of re-conquering our roots and celebrates the journey of the ephemeral and eternal beauty. Seeking for beautiful realities and moving away from the urban notion of jewelry, this collection is inspired by all this graceful scene. Earrings, rings, necklaces and bracelets with an irregular design get in contrast with the Five colorful stones that decorate them. 925 sterling silver with an 18k gold plating is combined with corundum sapphire blue, rhodolite, golden yellow, pure white, and champagne hues that twist every piece turning it into a delicate jewel, taking on the natural beauty of wildlife.

STONES Sapphire Blue Corundum, Rhodolite zirconia, Champagne zirconia, Golden Yellow zirconia, Pure White zirconia.

Zaza Collection

TOUCHING THE DELICACY OF LIFE Zaza collection is inspired by the virtuous flying crawlies that keep nature in constant bloom. The subtle beauty and fragility of small insects is captured in Crystals over Green Mother of Pearl which allude to the rapidly flapping wings and the iridescence of wild insect bodies. Meanwhile, delicate white zirconias sit as a subtle ornamental detail over 925 Silver and an 18K Gold plating, evoking the centre of life in constant movement.

A HOMAGE TO THE SMALL BIG THINGS Nature is our greatest guardian, constantly balancing out the continuous evolution of every lifeform. Insects evidence this magical beauty and intelligence through their movements and organization. Zaza's designs are a nod to the delicacy of nature underlined with a powerful message of strength and beauty, reminding us with every piece of jewelry the fast and fleeting essence of nature.

STONES: Labradorite, White Zirconias, Black Mother of Pearl base and white crystals, Green Mother of Pearl base and white crystals.

Cavalier Collection

Imbued in an opulent and warrior-esque atmosphere, our signature collection Cavalier arises as the new simplified Baroque. The masculine is merged with the feminine in a collection that carries an ancient French soul.

Lavender, Dark Garnet Zirconias and Crystals on top of Mother of pearl adorn delicate and intricate designs: unique stacking pieces that are ready-to-wear, and impress. Combining cascades and whirls of Zirconias, the stones are carefully hand-cut in square, round and pear shapes and set over a 925 Sterling Silver base, plated in 18k Gold. Bathed in a mysterious sunset, Cavalier stands out due to its majesty and boldness. A new era is born from cotton-like clouds in a magnetic lilac sky.

Sumergida en una atmósfera opulenta y guerrera, la colección Cavalier emerge como el nuevo barroco simplificado. Lo masculino se funde con lo femenino dando como resultado una colección con una esencia francesa y arcaica.

Circonitas Lavender y Dark Garnet y cristales sobre Nácar adornan delicados e intrincados diseños: piezas únicas ready-to-wear. Combinando circonitas en cascada y espiral, las piedras son cuidadosamente engastadas y talladas en forma cuadrada, redonda y de lágrima, sobre una base de Plata de Ley 925 bañada en Oro de 18K. Bañada en un misterioso atardecer, Cavalier destaca por su majestuosidad. Una nueva pasada era nace entre esponjosas nubes sobre un magnético cielo violeta.

PIEDRAS / STONES: Dark Garnet Zirconia, Lavender Zirconia, Mother of Pearl
& Yellow Zirconia Circonita Dark Garnet, Circonita Lavender, Nácar y Circonita Amarilla.

Atelier Collection

Created between canvases, brushes, and infinite palettes, this collection is a homage to the secret and rearing world of ateliers: the place where every master creation begins. Inspired by the charm of artisan workshops, semi-precious stones coloured in seven unique tones portray a delicate and vivid essence. Labradorite, aquamarine, and zirconias are harmonically and carefully arranged to make the design, plated in 18k Gold over 925 Sterling Silver. Blue, green, and pink shades create an unforgettable image: a grand creation where every precious detail is weighed and composed. With a lively vibrancy of colours, a symphonic cascade of one-of-a-kind stones captures every beam of light. Balance, grace, and harmony permeate every piece of jewelry. A work of art is born.

Creada entre lienzos y paletas infinitas, la colección es un homenaje al inadvertido mundo del atelier. Inspirada por su encanto y maestría, piedras semi-preciosas en 7 tonos conforman el retrato final de la colección. Labradoritas, aguamarinas y circonitas constituyen los diseños, realizados en Plata de Ley 925 y baño de Oro de 18k. Persiguiendo una máxima de armonía y minuciosidad, azules, verdes y rosados crean una imagen inolvidable en el que la delicadeza se combina con la atemporalidad. La vitalidad de los colores compone una sinfonía realizada por la luz que se filtra a través de cada piedra. Ha nacido una oeuvre d'art. Ha nacido Atelier.

PIEDRAS / STONES: Labradorita, Aguamarina, Circonita Blue Spinel, Circonita Light, Champagne, Circonita Green Peridot, Circonita London Blue, Circonita Rose Red, Circonita Negra, Circonita Blanca.

Aisha Collection

Collaborating to advance female empowerment, Aisha collection is designed in support of Afrikable, a non-profit Foundation committed to enabling women in Lamu, Kenya.

Aisha collection is inspired by the shapes and colors of eastern African geography.

Kindness and sophistication are the essence of this world and palette, colored in violet, apple, peach & cherry. Made of 925 Sterling Silver and with an 18 karat Gold plating, organic shapes lead the atmosphere of Aisha, turning into a vanguardist and timeless classics.

Designs in Aisha are inspired by real women and children from Afrikable, as well as PDPAOLA's experience in Lamu. This collection symbolizes the will to be alive and to prosper. Building a better future has never been so bright.

Colaborando con el empoderamiento femenino, la colección Aisha se ha diseñado en apoyo a Afrikable, una organización sin fines de lucro comprometida con el desarrollo y capacitación de las mujeres en Lamu, Kenia.

Aisha se inspira en las formas y colores de la geografía del este de África. El respeto por la naturaleza y su sofisticación son la esencia de esta colección y de la paleta de colores que la compone: violeta, manzana, melocotón y cereza. Fabricadas en plata de ley 925 y con un baño de oro de 18 quilates, las formas orgánicas conducen la atmósfera de Aisha, convirtiéndose en un clásico vanguardista y atemporal.

El origen de los diseños en Aisha tienen mucha influencia de las mujeres y niños de la fundación Afrikable, así como en la experiencia de PDPAOLA en Lamu. Esta colección simboliza la voluntad de estar vivo y prosperar. Construir un futuro mejor nunca ha sido tan emocionante.
